WE had one meeting of all in the zone Members interesting in working and most of the jobs are assigned to the clubs (Lions and Lioness) in the zone.

Members of the committee will be watching and talking to this year's committee folks during the convention.

We are planning is a Golf Outing on Friday before the start of the convention. The rooms can be reserved individually, and we are encouraging clubs to purchase rooms as a suite package for significant discounts. We have a "save the date" ad included in the 2010 Convention Program book.
