Have You Noticed

By Lion Joe Emerson, 1975

Some members keep their organization strong.

While others join just to belong.

Some dig right in, Some serve with pride.

Some go along just for the ride.

Some volunteer to do their share,

While others lie back and just don't care...

On meeting days some always show,

While there are those who never go...

Some always pay their dues ahead,

some get behind for months instead,

Some do their best ..some let things go,

Some never help their organization grow,

Some drag ...some pull,

Some don't and some do,

Consider now...which of these are you?
